Feb 2027

PROFESSIONAL EXPERIENCE

Canadian Imperial Bank of Commerce

Global Markets Summer Analyst

New York, NY

Jun 2025 - Aug 2025

- Structured and priced 30+ equity-linked trades (convertible bond capped-call overlays, margin loans) using volatility surfaces and credit spreads to deliver live term sheets for Fortune 500 clients
- Automated Greeks, premiums, and trader axes distribution through xTrader/Bloomberg/Python workflows, cutting manual processing time by ~40% and improving execution visibility for 20+ counterparties
- Built and maintained a 600+ security convertible bond database, tracking maturities, conversion features, greenshoe status, and sector issuance trends to support desk strategy and client pitches
- Developed an ATM/forward issuance tracker for 20+ live equity deals and delivered 40+ daily market commentaries on USD Rates products (SSAs, TIPS, STRIPS, SOFR swaps, futures) to support IB and Sales desks

Handshake AI

AI Trainer

San Francisco, CA

Oct 2025 - Present

- Deployed across 3 concurrent projects evaluating AI model reasoning, image quality, and search performance; engineered 20+ scoring rubrics to benchmark outputs and identify systematic failure modes across 100+ model responses

Kellogg School of Management

Research Assistant

Evanston, IL

Sep 2024 - Present

- Partnered with Dr. Klaus Weber to analyze 700+ ESG journals and 500+ corporate claims using Python, streamlining data-scraping workflows by 30% across 1,200+ sources

Wall Street Oasis

Finance Research Analyst Intern (Promoted to Editorial Lead)

San Francisco, CA

Nov 2023 - Feb 2024

- Promoted to Editorial Lead within 2 months (top 15% of 80+ interns); authored 21 corporate finance articles and reviewed 45+ peer submissions, driving ~30% traffic growth via SEO and code optimizations

Brown Advisory

ESG Investing Fellow

Boston, MA

May 2023 - Jun 2023

- Selected as 1 of 4 fellows for a competitive ESG program; collaborated with 50+ professionals across equity research, trading, and strategy, including a fixed income immersion at IR+M with 15+ portfolio managers and credit analysts
- Ranked #1 in final stock pitch (long NVIDIA), leveraging trend analysis, financial statements, and valuation multiples; presented to a panel of 10+ portfolio managers and senior investors

LEADERSHIP & ACHIEVEMENTS

Teach For America

Ignite Fellow

New York, NY

Sep 2023 - Present
